PROPOSAL

The applicant plans to retrofit an existing freestanding sign with an electronic message board to identify a self-storage business (Attachment 2). The proposed sign would comply with the size and height requirements of the Ordinance which currently permits a freestanding sign fifty (50) square feet in area (not including changeable copy) and fifteen (15) feet in height.

The following provides an overview of the proffered condition offered by the applicant to mitigate the impact of the sign on area properties, as well as the location of the nearest EMC signs:

General Overview	
Requirements	Details
Copy Lines	Maximum of three (3) lines <i>Proffered Condition</i>
Frequency of Message Change	30 Second Minimum <i>Proffered Condition</i>
Sequential Messaging	Prohibited <i>Proffered Condition</i>
Flashing or Travelling Messages	Prohibited <i>Proffered Condition</i>
Bijou Lighting or Animation	Prohibited <i>Proffered Condition</i>
Sign Design	Architecturally designed sign that is compatible and complimentary to the building it serves <i>Proffered Condition</i>
Brightness	<ul style="list-style-type: none">• Not exceed 0.3 foot candles above ambient light as measured at a distance of seventy-one (71) feet• Require a photocell to adjust sign brightness, based on ambient light conditions <i>Proffered Condition</i>
Nearest Existing EMC Signs	<ul style="list-style-type: none">• Sprint (1,805 feet to the west, Route 60)• Pearson Honda (3,310 feet to the east, Route 60)

As proffered, the applicant's request complies with the Electronic Message Center (EMC) Policy.
